Global Chemistry Virtual
Conference
(GlobChem-21)

"Innovation is what distinguishes the leader from his followers"

OUR VISION

Leadership

Share

Network

Grow

- Leadership in education is important to become a reference in this field worldwide. This conference in its fourth edition has achieved a quality and impact in the education sector, as can be seen, in recent years.
- Its diffusion in different countries reaches a high level of participants that allows a fluid communication between sponsors, education research groups and participants from other fields of science and letters.
- All sessions are designed to allow maximum interaction for attendees to exchange ideas, present the latest news and business initiatives, as well as best practices, case studies and advanced scientific research.
- We provide you with a unique opportunity to communicate with industry professionals. We focus on creating an unforgettable learning experience rich in innovative ideas, best practices and sharing what works. By becoming our sponsor, we will do our best to meet your participation and exposure needs. This will allow you to promote your company through a website, the conference and emails sent to potential participants.
